It was an enriching experience for the students.

## Devotional Art

As Mushtifund Saunsta celebrated the event of the consecration of Shri Ram temple at Ayodyha, students were engaged in art work related to the event. This portraiture of Shri Ram and Sita is by Master Nikhil Arun Wagh of standard X.

# A Rewarding Journey At Mushtifund Sauntha

**Mrs. Beena Gurudas Kamat Shankwalker**

*Asst. Headmistress  
Mushtifund High School.*

My association with Mushtifund High School has been for almost last 30 years. It was in June 1994, that I joined as an Assistant Teacher. I am lucky to be one amongst the first batch of assistant teachers of newly started Mushtifund High School.

After spending 30 years here, I can honestly say that life as a teacher has been very exciting and rewarding. I could learn many new things, had variety in my work days, formed lasting relationships with staff, students and their families and could develop and practice my own creativity.

During my initial years here, it was great working under the able guidance of Shri Ramesh P. Sapre, the first headmaster of Mushtifund High School and Shri Suhas H. Sardesai, the Administrator of Mushtifund Sauntha. I was blessed to work with Shri Kashinath Bhat & Smt. Poornima Sukthankar too who later took over as heads of Mushtifund High School in subsequent years.

Since January 2021, I am serving as the Asst. Headmistress of Mushtifund High School. It is my pleasure working with headmistress Smt. Aparna Chari and Asst. Headmistress Smt. Chantal Gracias. Guidance received from the Treasurer of Mushtifund High School, Shri Dilip N. Dharwadker too has helped me contribute towards the welfare of this institution.

Mushtifund has been my second 'Home' and it has been great working here with my 'Mushtifund Pariwar'. I owe a lot to Mushtifund!

I Look up to further great accomplishments by Mushtifund High School and Mushtifund Sauntha at large in future too!
